

Month Two | Syllabus

Soul of Wellness: Who Am I And What Do I Want

Dates: October 14-November 11 (Reflection paper due November 4)

Open House: October 28

Title:

Spiritual Inquiry

Intention of Session:

1. Learn about the process of “holistic spiritual inquiry” for noticing and exploring reactivity, especially “how old do you feel?”.
2. Bring understanding to the original wound of separation and response of “I’m unlovable”, “I’m unworthy”, “I’m disrespected.”
3. Then using the noticing as a path for healing; bring compassion to yourself.
4. Learn practices that increase acknowledgement of the support and love that are always present.

Post Zoom Reflections:

1. Begin each day setting intention consciously about how to live that day in line with your deepest values, wants. Write it down.
2. At the end of each day, track those times when you lived in line with your deepest values, wants. Where did you miss the mark? How much time was spent on automatic pilot? How can what you have learned about accountability affect your reflections?
3. Watch again the online video “It’s Not About The Nail” (<https://www.youtube.com/watch?v=-4EDhdAhrOg>) again. How does the victim/accountability loop apply? What nails do you have that others see so clearly and you stridently resist knowing about or changing?
4. Write a reflection paper about your experience over the month with these practices.
