Annual Fees

We are committed to making our programs accessible to as wide a range of people as possible. Recognizing that economic circumstances vary greatly we offer a choice of fees which cover:

- A nine-month apprenticeship experience.
- Two intensive weekend retreats (to open and close each apprenticeship year).
- Nine live/online monthly webinar sessions including lessons on the history and application of the Anamcara tradition in everyday life including recommendations for monthly spiritual practices.
- Access to an extensive Anamcara website of resources for personal growth and daily practice.
- Video recordings and selected readings from a wide range of authors on topics related to the apprenticeship and spiritual formation.
- Nine monthly Circle of Trust© sessions.
- Access to supervision throughout the apprenticeship
- Total contact hours per year = 110

Upon acceptance of application, you (the apprentice candidate) will receive communication regarding fees and payment schedules.

Standard Fee: US \$2,500*

The standard fee is based on the actual costs to offer a year of the apprenticeship. Based on the number of annual contact hours, the standard fee equates to \$22 per professional contact hour.

Supporter/Scholarship Donation: US \$500

If you can afford it, we invite you to consider a \$500 scholarship donation to support a worthy applicant who cannot afford the standard fee. Your donation is US tax deductible.

Supported/Reduced Fee: US \$2,000*

You can request this fee if you cannot afford the standard fee. As the standard fee only covers costs, a reduced fee is conditional on scholarship donations.

*Fee for the first year of the apprenticeship is due within 30 days of application approval. A payment plan may be made with SALC business office but would require a Credit Card on file to process monthly payments. In the case of early bird applicants, please refer to the special payment arrangements listed below under early bird fees.

An early bird fee (80% of the standard fee, US \$2,000) is available IF application is received by 1 November 2024. The following payment schedule is for Early Bird applicants only:

- First payment (\$1000/50% of tuition) due by 15 December 2024.
- Balance due (\$1000/50% of tuition) by 15 March 2025
- If payments are made with Credit Card, tuition charges will be automatically processed according to these two deadlines.
